Learning Days of the Italian Society of Neutron Spectroscopy  
13- 22 June 2015  
(Giornate Didattiche della SISN 2015)

Introduction to neutron techniques for condensed matter studies, with applications to Physics, Chemistry, Biology and Earth sciences

First Session:  
13-17 June  
Hotel Steinpent  
San Giovanni Valle Aurina (Bolzano), Italy

Second Session:  
18 - 22 June  
Institut Laue Langevin  
Grenoble, France

Directors:  
C. Mondelli (CNR-IOM c/o ILL, Grenoble)  
E. Guarini (Univ. di Firenze)  
A. De Francesco (CNR-IOM c/o ILL, Grenoble)
