International Conference on Neutron Scattering 2017

July 9-13, 2017 Daejeon, Korea

FINAL CALL FOR ABSTRACTS

ICNS2017

International Conference on Neutron Scattering 2017 July 9-13, 2017, DCC, Daejeon, Korea

The International Conference on Neutron Scattering 2017 (ICNS2017) will be held from July 9 to 13, 2017 in Daejeon, Republic of Korea. The ICNS is the largest international platform for sharing and exchanging the latest advances in neutron scattering science, which will bring together scientists from a wide range of disciplines including physics, biology, chemistry, materials science, engineering materials, earth science, neutron sources and instrumentations.

Abstract submission deadline extended until March 12, 2017

We are excited by the substantial number of good quality submissions that have already been submitted. Nevertheless, in order to maximize the opportunity for both professional and academic scientists in our field to share the latest developments across the range of topics represented at ICNS 2017, we are pleased to extend the deadline for abstract submission to **Sunday March 12, 2017**. Do not miss this opportunity.

Conference Topics

Soft Matter	Chemistry / Earth Science	Neutron Physics
Biology and Biological Interface	Engineering Materials	Industrial Applications
Condensed Matter Physics	Energy Materials / Environmental	Sources and Instrumentations
Magnetism and Thin Films	Imaging / Radiography	Sample Environment and Software

Plenary Speakers

- Pengcheng Dai (Rice University, USA)
- Victoria Garcia-Sakai (ISIS, UK)
- Peter Müller-Buschbaum (Technical University Munich, Germany)
- Hideo Hosono (Tokyo Institute of Technology, Japan)
- Tim Lodge (University of Minnesota, USA)
- Jean-Marie Tarascon (The College de France, France)

Registration Information

Registration information is available at <http://www.icns2017.org/registration.php>.
Online registration system will be available soon.

Proceeding Submission

ICNS 2017 Organizing Committee invites all the participants to submit proceeding papers based on the submitted abstract. All submitted papers will be considered for publication in a special issue of "**Physica B**" (**Elsevier**) after peer-reviewing process. The submission deadline is August 9, 2017.

Sponsorship and Exhibition Information

The ICNS2017 provides excellent opportunities to advertise your organizations, products and services. We have various sponsorship and exhibition packages available. For more information, please refer to the ICNS2017 Sponsorship and Exhibition Prospectus (<http://www.icns2017.org/sponsorship.php>) or contact the conference secretariat (icns2017@icns2017.org).

Important Dates

- Abstract deadline: ~~February 24, 2017~~ **March 12, 2017**
- Notification of Acceptance: **April 7, 2017**
- Early Registration Deadline: **May 19, 2017**
- Proceeding deadline: **August 8, 2017**

Travel Support

ICNS 2017 Organizing Committee offers travel grants to students, postdoctoral researchers and young scientists presenting papers at ICNS 2017. Applications must be received no later than April 18, 2017. For further information, please visit http://www.icns2017.org/travel_support.php.

We look forward to meeting you in Daejeon, Korea !

ICNS2017 is organized by

- Korea Atomic Energy Research Institute (KAERI)
- Korean Neutron Beam Users Association (KNBUA)
